### INSTALLATION NOTES

Back-to-Back Toilet Installations:  
TOTO recommends the use of a nationally listed, double sanitary tee-wye only, in vertical waste stacks, in accordance with the stipulations noted in the majority of nationally recognized plumbing codes.

To maintain adequate wall gap between the back of the tank and wall, mount the floor flange at a nominal 12" rough-in distance.

See SW3446 Specification Sheet for details on included WASHLET.
